00:44:39 Jody Costello: @Dea - ha! Forgot I had the camera on! The veggies are for the dogs ;-)

00:51:04 Angela Hall, That Helpful Chick: all those 'automated' softwares, those that are really good - are really expensive and in my opinion they aren't convincing that they are live. especially with everyone used to zoom now.  
You can do a kind of automated by just using a delivery page on your website

00:52:55 Jody Costello: @Angela - thanks - probably doing a video o my sales page..

01:00:58 Kathy Bates: Will you talk about how to find a VA, what to look for, questions to ask them, etc

01:19:40 Jody Costello: My sales page needs to be re-written - got some feedback on what needs to change. December to-do's...

01:27:58 Stacy Fisher, <https://www.StacyGFisher.com>: I have a website and hires a writer to help hone the message and rearrange. Angela will implement. I'd like you to look at it to broaden the audience b/c I made the niche too narrow. It isn't getting the attraction.

01:29:16 Lori Algieri: I love a big pad (11x17) of paper for mind mapping and Brain dumping!
